

The Avengers, lamenting the loss of Thor, are unaware of two things - Thor is still alive (having been saved by the Enchantress, who hopes the two will spend the rest of eternity together isolated from Asgard and Midgard) and Ultron has infiltrated all the world's technology systems, planning to quickly bring the lives of everyone in the world to an end. Starring Eric Loomis, Colleen O'Shaughnessey, Rick D. Wasserman, Wally Wingert. LEEE777 - Make sure to catch it Sunday morning Disney XD.
