

There have been enough fan made "The Dark Knight" interrogation scenes to shake a stick at, but College Humor has taken the cake with their new video. In this video we see Batman doing what he does best to who he thinks is The Joker. I know this isn't exactly high priority news, but it is extremely funny and relevant. So sit back, relax and take a few minutes to laugh out loud. Warning! make sure you aren't drinking anything while watching this video. I mean we wouldn't want you to snort or spill anything on that keyboard now would we...
