

Following their video recap on Paramount Pictures' presentation at this year's CinemaCon in Las Vegas, the folks from Collider, SlashFilm, and FirstShowing have now blogged about Warner Bros' presentation. Essentially covering footage shown for Martin Campbell's Green Lantern as well Harry Potter and the Deathly Hallows – Part 2, check out the video below. If this wasn't enough for you, regarding Green Lantern at least, head Herefor an in-depth description of all the footage shown. In the mean time, look for Green Lantern in theaters June 17, and >Harry Potter and the Deathly Hallows – Part 2 July 15, both right around the corner!
