

Green Lantern: Rise of the Manhunters is inspired by the feature film, which brings the enduringly popular DC Comics super hero to the big screen for the first time and which stars Ryan Reynolds in the title role as Hal Jordan, the newest member of the Green Lantern Corps. In the videogame players will utilize over a dozen constructs and take flight across the deepest parts of the Universe to restore intergalactic order by wielding the ultimate weapon: the Green Lantern power ring. For some new info on the game, be sure to follow the link below over to IGN. For now, here are all the new screenshots which were revealed earlier today at WonderCon. Green Lantern: Rise of the Manhunters is set to be released on Playstation 3, Nintendo 3DS & DS, PSP, Wii and X-Box 360 on June 7, later this year!
