

A new breed of mutant heroes will invade game consoles on September 27, 2011 in X-Men: Destiny, from Marvel Entertainment and Activision. The all-new original video game casts players as new mutant recruits in a rich, branching storyline that features a deep element of choice and gives players ultimate control of their destiny. For more information on X-Men:Destiny head to the game's official website at www.XMenDestiny.com. More news will also be shared with the Hero HQ community on Facebook at <http://www.facebook.com/heroHQ>.
