

Marvel's The Avengers is set to hit next week on Blu-ray / DVD, but gamers don't have to wait that long to get a little Avengers action going! Zen Studios has released the Marvel's The Avengers pinball table for Zen Pinball. The new table is an in-app DLC and is available via the Apple App Store, and Zen Pinball THD on Google Play for \$1.99. The table has also been released for Zen Pinball 2 on the Mac App Store for \$2.99. Marvel's The Avengers table reflects the events of this summer's blockbuster film, pitting all six Avengers against Loki's invasion of Earth. Nick Fury commands the team of Iron Man, Captain America, Thor, Hulk, Black Widow and Hawkeye, each character represented by a customized ball that echoes his or her own appearance and power set. Zen Pinball on iOS/Mac and Zen Pinball THD are free downloads for all users, and include
