

After a wildly successful ride Rocksteady is set to release the Game of the Year DLC for Batman: Arkham City. The content will include the Catwoman, Nightwing, and Robin DLC as well as offer up a download for the DC animated movie Batman: Year One. There have also been teaser images that suggest we might be getting some new Harley Quinn DLC as well. Rocksteady has released a new trailer that confirms the Harley download that will be titled "Harley Quinn's Revenge". It is also being referred to as The Final Chapter. Check out the trailer below that teases Quinn's new storyline as well as a new costume for her. You can get Batman: Arkham City Game Of The Year Edition when it hits on May 29th of this year.
