

Marvel Avengers: Battle for Earth is the ultimate superhero brawler. It features 20 different characters, including Avengers such as Iron Man, Hulk, Captain America and Thor, as well as other fan-favorite Super Heroes and Super Villains from the Marvel Universe. Players will use motion gameplay to execute explosive super attacks, unleash devastating special moves and play with friends or against the AI in a wide variety of game modes. [CLICK TO PRE-ORDER](#) Marvel Avengers: Battle For Earth will be available for Xbox 360 and Wii U this fall. Fall of Cybertron immediately continues the story from Transformers: War for Cybertron with the civil war between the Autobots and the Decepticons over control of their home world, Cybertron. Fall of Cybertron depicts the final battle between the two robot factions which results in the destruction of their home world, forcing the Autobots to seek refuge in our galaxy, the Milky Way. [CLICK TO PRE-ORDER](#) Transformers: Fall Of
