

The Men In Black game for Android will be a freemium title. Meaning it will be free to download and play but users can also make in-game purchases to go farther, unlock levels, or buy guns and such. The Men in Black 3 game for Android by Gameloft will be available May 25th, the same day as the blockbuster title hits theaters nationwide. Will you be downloading this game? What do you think so far about it? Sound off with your thoughts in the usual place. This game is based off of the upcoming threequel Men in Black 3, which hits theaters May 25th and stars Will Smith, Tommy Lee Jones and Josh Brolin.
