

The official web site for Gotham City Imposters has been updated with a release date. The download only game, which will allow gamers to create their own Batman inspired vigilante to go up against imposter Jokers, will be released on January 10, 2012. You can download it up on the PC, PlayStation Network and Xbox LIVE Arcade. Hatched from the twisted minds at Monolith Productions, Gotham City Imposters is a download-only multiplayer FPS that pits violent vigilantes dressed up like Batman against craven criminals dressed up like the Joker in open warfare on the streets of Gotham City. Once again you can download Gotham City Imposters on January 10,
