

Put away the quarters because Marvel vs. Capcom Origins is now available to download for home consoles! The game is ready for new challengers on PlayStation Network for \$14.99 and on Xbox LIVE Arcade for 1200 Microsoft Points. Marvel vs. Capcom Origins is jam-packed with Marvel and Capcom fan-favorite characters and crazy, beloved gameplay that throws a powerful punch. Marvel vs. Capcom Origins offers both the one-on-one gameplay of Marvel Super Heroes with its unique Infinity Gem system and the two-on-two carnage of the original Marvel vs. Capcom: Clash of Super Heroes, featuring a tag system, assists, and the wild Duo Team Attack. Bringing forth a host of features never-before-seen in these games, Marvel vs. Capcom Origins adds GGPO-enhanced online play with 8-player lobbies and spectator mode, HD graphical upgrades, dynamic challenges and replay saving.
