

As Warner Bros. Interactive Entertainment and Grasshopper Manufacture put it, "A game as demented and vibrant as Lollipop Chainsaw demands a voice cast chock full of colorful and experienced actors to bring it to life", and after seeing the new voice talent reveal video below, we think you'll be inclined to agree. The new video for Lollipop Chainsaw reveals that Tara Strong, the renowned voice behind dozens of video game and cartoon characters, including Harley Quinn in last year's Batman: Arkham City, plays the part of Juliet Starling, the game's central protagonist. Michael Rosenbaum, known for his role as Lex Luthor in Smallville, voices the disembodied head of her boyfriend Nick. **CONTENT WARNING!** The video below includes language that may be unsuitable for younger viewers as the game is rated "M" for "Mature." About Lollipop Chainsaw Lollipop Chainsaw is the 'un-deadly' story of sweet and killer zombie-hunter Juliet Starling and her quest to uncover
