

The video game tie-in due to be released alongside 'The Amazing Spider-Man', has just had 3 new peices of concept art revelaed. They seem to show an apartment that could possibly belong to Peter or Dr. Connors, Oscorp, and Spider-Man with thugs shooting at him, and what seems to be some sort of train derailing. Starring Andrew Garfield, Emma Stone and Rhys Ifans, The Amazing Spider-Man is scheduled to be released in 3D and IMAX 3D on July 3, 2012!
