

Last week saw the release of a character trailer for The Amazing Spider-Man video game featuring the reveal of The Rhino (you can find it by clicking [HERE](#)). IGN has also posted a series of images and a character bio for the villain which you can find below. There has been a lot of speculation that Oscorp's role in the movie universe would be to help introduce new villains and the information below may support that theory. To read an interview with Beenox's Stephane Gravel and Marvel's Chris Baker, be sure to click on the link at the bottom of the page.

Unlike all of the other cross-species, which were created after Curt Connors terrorized the city as the Lizard, Rhino was the result of a pet project belonging to a corrupt Oscorp executive with access to Connors' research. Abusing this access, he applied this top-secret knowledge to black-market dealings. Without
