

Activision Publishing, Inc., a wholly owned subsidiary of Activision Blizzard Inc., today revealed Goldfinger – one of the most iconic James Bond movies – as the fifth 007 movie-inspired mission that joins Die Another Day, Moonraker, Licence to Kill and On Her Majesty's Secret Service, in this year's upcoming 007 Legends video game. In 007 Legends, the Goldfinger mission finds the best undercover agent early in his career investigating Auric Goldfinger – a gold magnate thought to be behind a recent spike in gold prices – only to discover a larger plot to irradiate the entire Fort Knox gold reserve. In order to thwart the plot, Bond takes action to infiltrate Goldfinger's headquarters with help from a questionable acquaintance – Pussy Galore. Upon arrival at Fort Knox, 007 is tasked with defusing a nuclear bomb before it detonates, and the only thing standing between Bond and the bomb is Goldfinger's henchman –
