

An annoying part of most free roaming video games is robbing players of that 100% completion trophy because they haven't scoured the city searching for every single (and usually pointless) collectable. Well, The Amazing Spider-Man is offering something of an incentive. By hunting down a certain number of comic book pages, you'll actually get the comic book to read in the game (and in HD if you're playing on either the Playstation 3 or Xbox 360). The more you find, the more comics you unlock. Check out some new screenshots below and find even more details by following the link at the bottom of the page.
