

High Moon Studios has released an epic new trailer for Transformers: Fall of Cybertron revealing one of the newest characters in the game -- Metroplex. Metroplex in action! In Transformers: Fall of Cybertron, you'll battle through a riveting story, experience a variety of gameplay, fight monster bots, and meet the walking city called Metroplex. Developed by Activision and High Moon Studios, Transformers: Fall of Cybertron takes fans through the final, darkest hours of the civil war between the Autobots and the Decepticons as they fight for control of their dying planet, ultimately leading to their storied exodus from home.
