

From developer Cyanide Studio and Focus Home Interactive: Get More: Geek: GameTrailers, Full Episodes The game will be released for PC, XBox 360 and PlayStation 3 on May 15, 2012. And of course, Season Two of the acclaimed HBO series kicks off this Sunday, April 1st on HBO. Official Synopsis: Along the 30 hours of gameplay offered by Game of Thrones, play as Mors, sworn brother of the Night's Watch, and Alester, a Red Priest in search of redemption who is back to Westeros after a long exile. The Hand of King Robert Baratheon has just passed away, and these two charismatic heroes will find themselves dragged in a grand quest that will lead them through familiar and gorgeous places of Westeros, such like the Wall and its region, or the famous King's Landing. In this grand adventure, they will meet famous faces: Queen Cersei, Varys the Spider or Jeor Mormont, the Lord Commander of
