

Well, I was shocked, I say positively shocked when I saw this character in Batman: Arkham City. Scroll down to see who I'm referring to; warning this is your last chance to turn away if you don't want to have it spoiled before you start playing the game. -----

----- Yeah, that's right. Azrael is the name of several fictional characters in the DC Comics universe. They are a group of assassins who were created by The Order of St. Dumas to "enforce god's will". The name is from the traditional Angel of Death. The character first appeared in the series Batman: Sword of Azrael, as Jean-Paul Valley, in 1992. He then became a supporting character in the monthly Batman titles, eventually taking over the role of Batman through the Knightfall, Knightquest, and KnightsEnd story arcs. The subsequent Azrael series, chronicling Valley's battles against the Order of St. Dumas, ran for 100 issues between 1995 and 2003.
