

As suggested above, the first trailer for the forthcoming kinect video game Marvel Avengers: Battle for Earth was just shown during a livestream of the Ubisoft press conference at the Electronic Entertainment Expo (E3). And thanks to Youtube's RajmanGamingHD, you can now watch it embedded below! Expect more details at E3! Developed by Ubisoft Quebec, "Marvel Avengers: Battle for Earth's" interactive environments are inspired by iconic Marvel comic artwork and the Secret Invasion storyline. The game will be released this fall for the Xbox 360 video game and entertainment system from Microsoft with Kinect for Xbox 360 and Nintendo's Wii U system. "Marvel Avengers: Battle for Earth" features 20 different characters, including Avengers such as Iron Man, Hulk, Captain America and Thor, as well as other fan-favorite super heroes and super villains from the Marvel Universe.
