

Exclusively available at famous North American retailer GameStop comes a special edition of The Walking Dead video game series by TellTale Games. This boxset collects all five digital episodes on to disc with special box and cover art by artist Charlie Adlard. Inside the box also includes The Walking Dead Compendium Vol. 1 by writer Robert Kirkman, which collects the first 48 issues of the comic series. TellTale Games notes that this boxset will be "Extremely Limited" to those who pre-order only. The standard version of the game comes at \$29.99 and is set to be available on December 4th. You can check out my reviews for Episode 3 and Episode 4. online slots
