

TellTale's The Walking Dead has been a hit with fans of the comic book series and AMC TV show, and despite a slightly erratic release schedule, it has now been confirmed that "Around Every Corner" will be released sometime later this month. Thankfully, we have a new trailer to accompany the news! The Book of Eli writer Gary Whitta said that his instalment in the series is the "biggest and most ambitious so far in terms of action and choices", promising that players are going to "hate some of the decisions they're forced to make." He adds, "Episode Four also introduces some brand new characters who should shake things up a bit, including one in particular that I'm very keen for you all to meet. Let's just say that Lee's group hasn't encountered anyone quite like her before now."
