

Ridley Scott, director of 'Alien' and 'Blade Runner,' returns to the genre he helped define. With 'Prometheus,' he creates a groundbreaking mythology, in which a team of explorers discover a clue to the origins of mankind on Earth, leading them on a thrilling journey to the darkest corners of the universe. There, they must fight a terrifying battle to save the future of the human race. The latest trailer for Prometheus (which is featured at the end of the video below) premiered at the conclusion of AMC's live Q&A session with Scott and Lindelof last night. However, if you decided to skip it or simply missed it, you can now watch it in full right here. Despite the duo being careful not to reveal anything too major about the movie, this is still a fascinating insight into the new world they have created and it also offers up even more teases as
