

While we caught a few glimpses over the weekend, anticipating the big-screen adaptation, a video review of the 208-page book showcasing the "construction" of Martin Campbell's Green Lantern movie has hit the net, via ParkaBlogs. The "Constructing Green Lantern: From Page to Screen" book essentially features storyboard art, character sketches, concept art, and still photos from the movie's sets. Suggesting making use of the "pause" button, watch below with a spoiler warning near the 1:10 mark. Green Lantern follows a universe as vast as it is mysterious, where a small but powerful force has existed for centuries. Protectors of peace and justice, they are called the Green Lantern Corps. A brotherhood of warriors sworn to keep intergalactic order, each Green Lantern wears a ring that grants him superpowers. But when a new enemy called Parallax threatens to destroy the balance of power in the Universe, their fate and the fate of Earth
