

In this write-up below, you'll be able to catch up on all Arrow news, video previews, and we've even created episode and character descriptions ahead of tomorrow's premiere at 8pm. Don't forget that UK Viewers can see the show on Sky1 on October 22nd. What is ARROW? Arrow is The CW's newest television show. It is described as a crime-drama, and is based off of DC Comics character Green Arrow. The show will follow Oliver Queen and his personal path to save the city and his family. It is not a Smallville spin-off or continuation, and Justin Hartley does not play the title character. Instead, that responsibility goes to Stephen Amell, who you may have seen on The Vampire Diaries or Hung. Why isn't the show called Green Arrow? At this time in the TV show, Oliver Queen's alter ego is simply known as Arrow. Who are the main characters? Most of the characters you need
