

What is Elfquest? It is a fantasy story about a community of elves and other fictional species who struggle to survive and coexist on a primitive Earth-like planet with two moons. Several published volumes of prose fiction also share the same setting. Over the years Elfquest has been self-published by the Pinis, then Marvel Comics,[1] then the Pinis again through their own company Warp Graphics and more recently DC Comics. - Wikipedia In October news started to look up as a new writer, Joe Ahearne (Dr. Who) was hired to rewrite the script. A script that initially was started by the director of Dodgeball: A True Underdog Story, Rawson Marshall Thurber. Rawson was also set to direct the feature if it ever got the greenlight. That was then and this is now. As Wendy Masque, an employee at Warp Graphics has posted a somber update on the Elfquest Official Facebook Page: "After
