

It's election day in the US, and tonight promises to have major ramifications for the country as Hilary Clinton goes to war with Donald Trump. With just hours to go until we find out who will be the next President, The Late Late Show With James Cordon took the opportunity to poke fun at both candidates one last time as Benedict Cumberbatch takes part in a funny skit with the British talk show host. The Doctor Strange star delivers a pitch perfect Trump impression in the video below - "I'll huff and I'll puff and I'll put a ban on all Muslims!" - before urging people to make sure they get out and vote today. There's also a pretty hilarious joke about Cordon's, ahem, pussy right at the end which is well worth sticking around for. Have you cast your vote yet? As always, feel free to share your thoughts below.
