

We've been seeing a lot of TV spots for Rogue One: A Star Wars Story recently, but this minute long final trailer is made up almost entirely of never before seen footage. However, it also potentially spoils some pretty big moments in the highly anticipated release from Godzilla director Gareth Edwards. Among those are how exactly Jyn is saved when she gets surrounded by Imperial Stormtroopers and a key scene where our heroes are saved at the last minute from being taken out by a looming AT-ACT. The cast of Rogue One: A Star Wars Story includes Felicity Jones, Mads Mikkelsen, Alan Tudyk, Donnie Yen, Forest Whitaker, Diego Luna, Riz Ahmed, and a number of others, and it's currently set to be released on December 16th, later this year. Let us know your thoughts on this in the usual place.
