

I'm not sure I can shower this show with enough praise for the amazing season finale that they put together. It was truly epic, it had everything I could've wanted, Michonne, the prison, and the CDC secret being revealed. And now all of us fans have the long wait til next fall to endure, ugh. Well, to make the wait less painful at least we have these two great behind-the-scenes videos of how the finale came together and the cast talking about their characters' conflicts. Inside The Walking Dead: "Making of the Season 2 Finale" "We're literally shooting an epic zombie movie in 8 days." Take an exclusive peek at the making of the adrenaline-pumping season finale. Inside The Walking Dead: 2x13 - "Beside The Dying Fire" The cast of The Walking Dead explore the challenges and changes their characters face in the conclusion of the nail-biting second season. The Walking Dead airs Sunday
