

Speaking to The Outhousers in a podcast, writer Marc Guggenheim talks in detail about his new CW show Arrow and what fans should expect--- On whether that's indeed Deathstroke's mask in the teaser trailer and if we can expect him to show up in the series? Marc Guggenheim : That is most definitely the mask. I would encourage people to watch the show, particularly watch future episodes. Will the show be similar in tone to Smallville? MG: This is a brand new take. Smallville was an amazing show, it was an incredible vision of Superman and a lot of other DC superheroes including Green Arrow. This is a different take. This is taking Green Arrow from the ground up and making him the center of a show and we have to change the tone to fit the character. [The show] will be much more grounded, more realistic because he's
