

Universal Pictures has officially announced that the long-awaited trailer for Tom Cruise's next major blockbuster, The Mummy, will finally arrive this Sunday. As part of their announcement, they've debuted an awesome fifteen-second sneak peek, which provides us with our first real look at actual footage from the upcoming Alex Kurtzman-directed monster movie. Cruise provides the only dialogue, but we also get to see his co-stars in action, including Annabelle Wallis, Russell Crowe as Dr. Jekyll, and Sofia Boutella as the titular villainess. We also have a very welcoming poster for you to enjoy. Check out everything below:  Tom Cruise headlines a spectacular, all-new cinematic version of the legend that has fascinated cultures all over the world since the dawn of civilization: The Mummy. Thought safely entombed in a crypt deep beneath the unforgiving desert, an ancient queen (Sofia Boutella of Kingsman: The Secret Service and Star Trek Beyond) whose destiny was unjustly taken from her is awakened in our current day, bringing with her malevolence grown
