

Deadline reports that Wes Craven and Steve Niles are working on a new graphic novel entitled, Coming Of Rage. It was created by Craven (The Nightmare on Elm Street) and written by Niles (Wake The Dead). The site goes on to report that Live Free or Die Hard producer Arnold Rifkin and Liquid Comics CEO, Sharad Devarajan are working on a big screen adaptation which is expected to be helmed by Craven. There are currently no story details, although it is thought that it will be in the horror genre - something both are well-versed in. Coming Of Age goes on sale next year, both as a five-issue comic series and graphic novel.
