

Go to the one minute mark to see Sebastian Shaw use his unique mutant ability. What exactly is going on there?! In the comic books, Shaw is able to absorb any kinetic energy he is struck by and can surpass the strength level of said opponent in order to over power them. Here's an example: The question is, does Shaw have a completely new set of powers in X-Men: First Class or are these simply a new and interesting take on them by Matthew Vaughn? What do you think? Be sure to share your thoughts in the usual place! Thanks to Moin Aziz Syed (@Makenshi1985) for the heads up! X-Men: First Class is set to be released in the UK on June 1st and in the US on June 2nd.
