

Source: The League of Ordinary Gentleman Patient: Wayne, Bruce DOB: 2/16/1971
Occupation: Industrialist Insurance: Self-pay Emergency Contact: Dick Grayson,
XXX-269-9637 Interval History: Patient was seen for his last annual physical approximately
one year ago. Since that time he has had numerous visits for acute illnesses or injuries,
generally accompanied either by his companion Mr. Grayson or Alfred, a senior member of his
household staff. These recent maladies appear to be in keeping with the pattern that has
emerged over the past several years, in which significant medical problems are associated with
odd or incongruous explanations. Most recently, patient was seen for numerous areas of lower
extremity cutaneous blistering, erythema and thickening, consistent with moderate to severe
frostbite. Patient had reportedly gotten lost while camping in the mountains, but could not
account for how he had sustained these injuries in mid-August. Past Medical History: As
stated, patient has a somewhat lengthy and complicated
