

"A soldier will fight long and hard for a bit of colored ribbon." --Napoleon A list of the Howling Commandos and the Invaders that will charge with the Sentinel of Liberty in the new Joe Johnston directed Marvel Studios film. Includes a brief comicbook bio for each. --> Article requested by: MrAnonymous What [/Who among the] Invaders/Howling Commandos of Asgard are [/will be] appearing in the movie? Howling Commandos? The comicbook "Howling Commandos." were selected U.S. Army Rangers that formed the First Attack Squad of the "Able" company during World War II. This squad was under Sgt. Nick Fury. The name was patterned after a real world squad called the "Screaming Eagles". Invaders? The comicbook Invaders were composed of World War II heroes who first banded together to save the life of English Prime Minister Winston Churchill. The thankful Churchill suggested that they should become a team, known as the Invaders. The list below
