

Besides Keanu telling MTV in 2010 that he'd like documentary and feature film director Werner Herzog to direct, he said that a script was close to being finished. We now know that the script is complete based on co-star Alex Winter informing the press in April of the sequel's status. The screenwriters, Chris Matheson and Ed Solomon, worked on the new script. When the second film concluded, Bill and Ted had learned to play their instruments and were on their way to becoming the legendary band that would create music that would bring peace and happiness to the world. What do we know about the third film, the sequel to Bill & Ted's Bogus Journey? More than you think, as Keanu Reeves in that same MTV interview divulged the key driving force of the plot. He said, "When we last got together, part of it was that Bill and Ted were
