

We only cover True Blood occasionally here on CBM but this is one piece of possible casting news we couldn't ignore. Chris Meloni is best known to the masses for his roles in Law And Order: SVU and OZ but more popular around here for voicing Hal Jordan in the DC animated feature Green Lantern: First Flight and an upcoming role as a General in Zack Snyder's Man Of Steel. Now we may see him on our small screens as TV Line report that there is interest in him joining the fifth season of True Blood.. TVLine has learned exclusively that the former Law & Order: SVU front man is circling what my sources are calling a "major role" in the show's upcoming fifth season. But what role? An HBO rep declined to comment, but I hear Meloni — who's currently shooting a top-secret role in The Man of Steel — is
