

Recently Newsarama caught up with Will Friedle of Boy Meets World fame to discuss the recently premiered Thundercats show on Cartoon Network. Here's the best of the interview where they discuss his portrayal of Lion-O, Batman Beyond, and casting legend Andrea Romano. Friedle has had a long, successful career in the voice-acting industry. Friedle was awesome as Terry McGinnis in Batman Beyond. Nrama: So from your perspective as both a fan and the lead voice actor, why do you think now is the right time to revisit these characters and concepts? Friedle: I don't know why now is the right time, it just seems to be. I think it's been 20, 25 years, the characters are still vibrant, and still iconic, and I think enough time has passed now to where some of the original fans might have accepted
