

Will we see Thor with or without his helmet in the upcoming The Avengers film? According to Brian Ono (President of eFx Collectibles), the company that produces movies replicas out of prop molds including replicas for The Avengers, has produced every Avengers prop from the actual Avengers prop supplies... except the Thor Helmet which is being replicated from the "Thor Movie" molds. According to Ono, the reason for that is the fact that Thor in The Avengers will not be seen with this particular helmet. Skip to 1:11 to hear what he has to say: Even though it should in a way be taken with a grain of salt, this news is still bumner (if true), for all of us that did want to see the Norse God of thunder with a helmet. The Avengers is scheduled to hit cinemas may 4th, 2012 and will feature an all-star cast including Robert Downey Jr, Chris
