

With filming underway for Shane Black and Marvel's Iron Man 3, some more casting additions are being revealed. The latest one is that William Sadler has joined the impressive cast in a mysterious role. From Latino Review: Yesterday, Guy Pearce (who will be playing Aldrich Killian) graced Wilmington for a costume fitting along with a familiar face that is as-yet-unreported. Who was that blond man wandering around the 'Iron Man 3' stages? Why it was WILLIAM SADLER! The report also reveals a little bit more info on the villains, and how exactly will they be portrayed in the film: A movie that had both Coldblood-7, Mandarin AND Firepower would be over-packed, so look for James Badge Dale and Ashley Hamilton to be villains, but not in robo-cop and Iron Man suits respectively. Starring Robert Downey, Jr., Gwyneth Paltrow, Don Cheadle, Ben Kingsley, Guy Pearce, James Badge Dale and Rebecca Hall, Iron Man 3 is set to
