

We asked you to caption the cheeky pic below from the set of The Avengers.. Purple.. Thor: "Hey, she reminds me of our Mother....." Loki: "Frigga"????? Thor: "Not yet, but give me a couple more days....." Loki: "Actually she reminds me of the bravest warrior in Asgard" Thor: "Baldur???" Loki: "Not yet, but give me a couple of days" Nice! Our first runner up is this simple but effective entry from DreXdeficit "It was then that we realized Asgard desperately needed this 'Internet.'" Our second runner up in a mystery! Someone posted the above pic with the caption "DAT ASSGARD". Maybe we need to get out more but it cracked us up. But the pic was gone when I went to look through the article to choose the winners. If you posted it get in touch. If we haven't heard from you in a few days we will choose someone else. The winner receives an awesome
