

We asked you gusy to come up with a caption for the below pic from the set of TDKR.. And boy did you ever. We received almost 500 entries ranging from the sublime top the ridiculous. Rude, crude, funny and downright eye rolling. It was a very difficult choice but at the end of the day we went for ACira's imaginative entry below. Yes he used an extra pic to better illustrate the joke but so be it, just shows initiative! Now obviously something like this is always going to be very subjective so some of you might not think this a worthy winner, but it cracked me up and dammit I trust my sense of humor:) Here are the runners up.. Buckycap13 Batman: "Y'know, after Dark Knight, they'll let us get away with literally anything." Bane: "Really?" Batman: "I'll rub your head. Chris'll shake the camera and add the Inception music and we'll win best fight
