

Earlier today, we got our first look at Richard E. Grant's sinister Logan villain, and now another new image has surfaced. This one doesn't hail from the movie's mysterious Instagram account and instead found its way online via JoBlo E-i-C Paul Shirey. As you can see, it features Wolverine next to the limo he's been driving facing off with a group of thugs who clearly fancy their chances against the mutant. Perhaps this fight is why the ageing hero is looking so beaten up in that incredible teaser trailer, but with so much positive buzz now surrounding this release, we have an awful lot to be excited about. Logan stars Hugh Jackman, Dafne Keen, Boyd Holbrook, Richard E. Grant, Stephen Merchant, and Patrick Stewart. It's currently set to be released on March 3rd, 2017, so stick to CBM for updates.
