

The Super Bowl is right around the corner, and while we'll no doubt be treated to new looks at many of 2017's most highly anticipated comic book movies and blockbusters, there will also be plenty of commercials featuring some big names. The first of those has been revealed today, and it stars Gal Gadot and Jason Statham as the duo somehow destroys an entire restaurant in an explosive brawl. "Get ready for action in our Big Game commercial featuring Jason Statham and Gal Gadot," says Wix.com. "When Felix, a business owner in a disruptive world, has to deal with Gal and Jason destroying his bistro, he keeps his cool. Why? Because with Wix, he knows he'll always stay stunning." These two have some history with the Fast and Furious franchise, but imagine them in the DC Films Universe together! Unfortunately, Statham doesn't really seem too keen on superhero films! Check out the commercial below and be sure to let us know your thoughts on it
