The artists are Jiten Thukral and Sumir Tagra who are quoted respectively.. Superman is every girl's man. He wears latex and saves the world. He is a larger than life character and we have used him as a metaphor to promote safe sex. We live in the age of Internet where we can see porn films but can not talk about sex to elders. We thought its time to analyse our behaviour towards sex through art," says Sumir Tagra, calling their effort a behavioural change exercise. An excerpt from their press release.. Thukral & Tagra: "Put It On, Again!" Opening on January 29th, 2011; exhibition continues to February 26th at A1 Neeti Bagh. Nature Morte is pleased to present a solo exhibition of the New Delhi artist duo Thukral & Tagra. The exhibition continues from their 2007 solo exhibition ("Put It On," Bose Pacia, New York) with a body of work that addresses the themes of safe
