

Chuck Norris didn't break a sweat filming the newest World of Warcraft television spot. Instead, he made the director cry and then cooled himself with the tears. This World of Warcraft television commercial debuted on CBS during the first half of the Chargers-Bears NFL game Sunday, November 20, 2011. World of Warcraft® is an online role-playing experience set in the award-winning Warcraft universe. Players assume the roles of Warcraft heroes as they explore, adventure, and quest across a vast world. Being "Massively Multiplayer," World of Warcraft allows thousands of players to interact within the same world. Whether adventuring together or fighting against each other in epic battles, players will form friendships, forge alliances, and compete with enemies for power and glory.
