

In the film, of course, Lawrence plays the younger version of Mystique, a role she genuinely had to consider before agreeing to sign on to play her. “Before I read the script,” says Lawrence, “all I knew was that two of my favorite actors were in it — Michael Fassbender and James McAvoy. The director was new to me, but I was a huge fan of those actors. So I was intrigued, but when you don’t have a script, there’s nothing to really go by. Then there’s the fact that the X-Men movies are so huge and there are sequels, and it’s hard to talk about doing a movie when there are sequels and you haven’t even read the script for the first one. What if I hated it? And then I have to make it three times! So I think the sequels were the biggest issues for me, because I was
