

No embed for now so click on the image below to see the vid over at io9 In the vid Lawrence takes us through the painstaking process of being made up to become Mystique. She also talks about what it was like to go through this and how it felt to be acting for hours at a time once she was in full prosthetics. And we see various shot of this happening as well as concept designs etc. Yes, you do see her semi naked at some points. By TwitterButtons.com
