

Matthew Vaughn's critically acclaimed film X-Men: First Class is making big numbers on Blu-Ray & DVD. According to The Numbers.com, film made \$30 million during the first three days of release, from September 9th - September 11th. As you can see below, it made \$10 million on DVD and another \$19 million on Blu-Ray: This is great news for studio, another reason to move forward with the sequel. X-MEN: FIRST CLASS unveils the epic beginning of the X-Men saga – and a secret history of the Cold War and our world at the brink of nuclear Armageddon. As the first class discovers, harnesses, and comes to terms with their formidable powers, alliances are formed that will shape the eternal war between the heroes and villains of the X-Men universe.
