

Courtesy of Crave Online For future films in the franchise, will you keep doing the historical thing or will you go back to the more modern era anytime soon? Lauren Shuler Donner - Well, if we were going to sequelize this and keep on going, we would stay in the next [time] period. Probably we'd go to the 70's. 'X-Men: First Class.' The best 'X-Men' movie so far. I think so, other people think so. A lot of people didn't think the last two were good. Was there a concerted effort to do something differently with 'X-Men: First Class,' besides obviously the period change? Lauren Shuler Donner - Yeah. Every time we make a movie we try to make it a little bit different, so that you're not seeing the same thing over and over again. But yes, you know, we were aware that... I wasn't too pleased with those movies. We just wanted to
